

VCC site access

Pre-screening questionnaire - COVID-19 for students

To prevent the spread of COVID-19 and to reduce the potential risk of exposure, please complete this health-screening questionnaire on a daily basis prior to accessing any VCC campus or external site. Complying with VCC's safety measures is in the interest of maintaining a safe campus for both students and employees and is consistent with the requirements of WorkSafeBC.

Are you experiencing any of the following flu-like symptoms?

- Fever or chills
- Cough (new or worsening)
- Difficulty breathing or shortness of breath (new or worsening)
- Sore throat
- Headache
- Stuffy or runny nose
- New loss of sense of smell or taste
- Nausea, vomiting and/or diarrhea
- Chest pain or pressure
- Loss of speech or movement
- Malaise (severe fatigue, muscle aches, feeling of being unwell)

Within the last 14 days, have you...

- travelled to any countries outside of Canada (including the United States)?
- been in close contact with someone who has a confirmed or probable case of COVID-19?
- been in close contact with someone who has travelled outside of Canada (including the United States) in the past 14 days who has become ill?

If you answered YES to ANY of the above questions, please contact your instructor. If you are required to self-isolate your instructor will discuss options with you that may include deferment or withdrawal. If you think you have been exposed to COVID-19 please contact 8-1-1.

If you replied NO to all of the questions, you will still be required to follow the direction and recommendations provided by the BC Public Health Officer and WorkSafeBC.
